Experience

- **LET'S UP GRADE** *Aug 2019 - Nov. 2020*
  HTML and CSS
  - – I completed a course in HTML and CSS from Let's UpGrade, where I gained a solid foundation in web development. As part of the course project, I created an online e-commerce website using HTML and CSS. This project helped me refine my skills in responsive design, structuring web pages, and implementing interactive features to enhance user experience.
  - Through this project, I also enhanced my ability to create visually appealing layouts while ensuring cross-browser compatibility. Additionally, I implemented key features like product galleries, navigation bars, and interactive buttons, delivering a user-friendly interface for online shopping.
